

National 5 Biology Revision Timetable

The idea is to do half an hour a day, during weeknights up until the exams. This could be reading a chapter, practising an exam question, drawing a mind map, summarising notes, making a revision poster – as it gets closer to the exams there are more topics on each day – but you are on study leave? so maybe try spend a bit more time on Biology.

Date	Topic	☑
3 rd March	1. Unit 1 Cell Biology - Cell structure	
4 th March	2. Unit 1 Cell Biology - Transport across cell membranes	
5 th March	3. Unit 1 Cell Biology - Producing new cells	
6 th March	4. Unit 1 Cell Biology - DNA and the production of proteins	
7 th March	5. Unit 1 Cell Biology – Proteins and enzymes	
10 th March	6. Unit 1 Cell Biology – genetic engineering	
11 th March	7. Unit 1 Cell Biology - respiration	
12 th March	8. Unit 1 Cell Biology – photosynthesis	
13 th March	9. Unit 3 Life on Earth – Biodiversity and the distribution of life	
14 th March	10. Unit 3 Life on Earth - energy in ecosystems	
17 th March	11. Unit 3 Life on Earth – sampling techniques and measurements	
18 th March	12. Unit 3 Life on Earth – adaptation, natural selection and evolution	
19 th March	13. Unit 3 Life on Earth – human impact on the environment	
20 th March	14. Unit 2 Multicellular Organisms – cells, tissues and organs	
21 st March	15. Unit 2 Multicellular Organisms – stem cells and meristems	
24 th March	16. Unit 2 Multicellular Organisms – control and communication	
25 th March	17. Unit 2 Multicellular Organisms – reproduction	
26 th March	18. Unit 2 Multicellular Organisms – variation and inheritance	
27 th March	19. Unit 2 Multicellular Organisms – transport in plants	
28 th March	20. Unit 2 Multicellular Organisms – animal transport and exchange	
31 st March	21. Unit 2 Multicellular Organisms – effects of lifestyle choices	
1 st April	1 2 3	
2 nd April	4 5 6	
3 rd April	7 8	
4 th April	9 10	
21 st April	11 12	
22 nd April	13	
23 rd April	14 15	
24 th April	16	
25 th April	17 18	
28 th April	19 20	
29 th April	21 1 2 3	
30 th April	4 5 6	
1 st May	7 8 9 14	
2 nd May	15 16 17 18	
5 th May	19 20 21	
6 th May	9 10 11 12 13	
7 th May	1,2,3,4,5,6,7,8 – Unit 1 Cell Biology	
8 th May	14,15,16,17,18,19,20,21 – Unit 2 multicellular Organisms	
9 th May	9,10,11,12,13 – Unit 3 - Life on Earth	
12 th May	4 days to go – make A4 summary page for each unit	
13 th May	3 days to go – practise exam questions	
14 th May	2 days to go – practice multiple choice questions	
15 th May	1 day to go - do a timed exam paper	
16 th May	EXAM in Morning
